# ADVANCED TRAINING IN SOUND THERAPY

## **Personal Music Compilation Course**

(Prerequisite: Practitioner Training in Sound Therapy)

**Date:** *Based on participant's needs (5 day training)*

This course is a synthesis of 30 years of investigation by INNER SOUND in helping individuals make change through the use of sound and music. Coming from over 10,000 personal music compositions by Arden Wilken, this course teaches how to compile a personal music composition based on the individual's theme using over 150 sound bytes. Includes specific energy training to perceive changes music and sound make in the subtle energy.

**Cost:** \$1500 (Course alone is \$300. Dedicated computer \$1200.) Prior registration and deposit is required.  
More information about the computer is available upon request.
